

MyStaf

Description:

About MyStaf

MyStaf is an independent, locally owned staffing company focusing on administrative, professional and industrial job placement. Weâ€™re in the business of finding people for jobs and jobs for people, both full-time and temporary. As a full service staffing company, we match top candidates with the most preferred employers in the Wichita Falls area.

MyStaf works with hundreds of area businesses to recruit, screen and place candidates in a wide variety of positions from entry level to highly skilled and management. For many, MyStaf serves as the hiring and human resources department.
