UPDATES FOR FAITH MISSION

Faith Mission currently has two men who have tested positive for COVID-19 and are currently in quarantine. Several other men who are in the residential program have been exposed to the individuals in quarantine. Out of an abundance of caution, Faith Mission is suspending their Homeless Shelter Service until December 28, 2020.

Individual who needs Homeless Shelter Services including meals and shelter are to contact the Salvation Army.

Volunteers will be suspended at Faith Mission until December 28, 2020.

Donations can still be made at Faith Mission by dropping off food and other goods at the back dock.

Steve Sparks, CEO remarked, “Out of an abundance of caution, we have to do this. Our downtown facility isn’t designed to quarantine men in large numbers.”

Please continue to pray for our employees, volunteers, and for the individuals that we serve.
